The association is greatly indebted to its committee and to all the head teachers and teachers in the schools who give so generously of their own time to enable this event to take place. The association has a long history of around seventy years in the authority of providing musical opportunities for children. The association also organises two orchestral concerts a year for children to listen to live music in the Fairfield Hall. We are very grateful to The Dorothy Grinstead Memorial Fund for the financial support that it gives in order to help fund our activities. As a registered charity, we are always looking for sponsors. If you would like more information about how you could help financially, then please contact David Wilcox on 020 8660 4863.
