*Take a single sound and model it in the way you choose, like a piece of plasticine. Make it thin or fat, roll it or flatten it. Add different colours. The elements of music represent the directions in which you pull or push the plasticine and the possibilities are infinite. The music we hear around us comprises these elements in a state of constant flux. The Elemental Forces of Musicality takes each of these parameters of music and analyses how changing each one alters the sounds we hear. In learning and performing these songs, the children are investigating the elements of music and the vocabulary associated with them.*

### **Every Child Matters**

*It is important to have faith in yourself and to believe that you can achieve your aims and goals. If you aim high, you can reach for the stars and your goals will guide you there. All you need is hard work, inspiration, perseverance and confidence; then you can conquer!*

*The next set of songs have been chosen to create such a positive feeling among us all and have the message that we do all matter: if you believe in yourself, you will achieve your ambitions!*

Claire Slade is Deputy Head at David Livingstone Primary School and Primary Music Advanced Skills Teacher

Festival Organiser: David Wilcox, Head Teacher at The Hayes Primary School

Compère: Michael Brockett, Head Teacher at Downsview Primary School

The association is greatly indebted to its committee and to all the head teachers and teachers in the schools who give so generously of their own time to enable this event to take place. The association has a long history of around seventy years in the authority of providing musical opportunities for children. The association also organises two orchestral concerts a year for children to listen to live music in the Fairfield Hall. We are very grateful to The Dorothy Grinstead Memorial Fund for the financial support that it gives in order to help fund our activities. As a registered charity, we are always looking for sponsors. If you would like more information about how you could help financially, then please contact David Wilcox on 020 8660 4863.
