This song has 8 verses and the audience will be asked to join in verses 7 and 8.

We've got to get on together, think of each other

Look at ways to help us get along

If we can learn how to listen, where there's division we can live as one.

We've got to trust one another, stand with each other,

Fix our eyes on all that's right, not wrong

If we can learn to be sorry, love everybody

We can live as one, we can live as one, we can live as one.

The association is greatly indebted to its committee and to all the head teachers and teachers in the schools who give so generously of their own time to enable this event to take place. The association has a long history of around seventy seven years in the authority of providing musical opportunities for children. The association also organises two orchestral concerts a year for children to listen to live music in the Fairfield Concert Hall. As a registered charity, we are always looking for sponsors. If you would like more information about how you could help financially, then please contact David Wilcox on 020 8660 4863.
