'Noah and His Floating Zoo' is a popular work for two-part voices, which opens with a storm, above which God can be heard muttering about the irritations he finds with mankind. Following the Old Testament story, God then instructs Noah how to build the ark and select animals. In a profusion of brilliant solos and lively choruses we learn about the difficulty of living under hatches and the conclusion of the wonderful rainbow being set across the sky.

Sit back, reminisce and feel free to join in with some good old favourites that will rock you in the aisles!

There will be a display of the children's artwork throughout the performance of the Junior Festival Choir. Please sit back and enjoy the images as you listen to the music.

The association is greatly indebted to its committee and to all the head teachers and teachers in the schools who give so generously of their own time to enable this event to take place. The association has a long history of around seventy seven years in the authority of providing musical opportunities for children. The association also organises two orchestral concerts a year for children to listen to live music in the Fairfield Concert Hall. As a registered charity, we are always looking for sponsors. If you would like more information about how you could help financially, then please contact David Wilcox on 020 8660 4863.
